

## 2012 NICHOLAS GREEN DISTINGUISHED STUDENT AWARD Description and Nomination Packet Requirements

The National Association for Gifted Children (NAGC) is pleased to announce the **Nicholas Green Distinguished Student Award** for the 2011-2012 school year. Originally funded by the Nicholas Green Foundation and NAGC, this award program is designed to recognize student achievement in academics, leadership, or the arts in children in grades 3 through 6. The National Association for Gifted Children believes that this award inspires children to achieve their fullest potential, highlights high-ability students, and draws attention to the educational needs of our nation's gifted and talented children.

The Nicholas Green Foundation was established by Maggie and Reg Green to honor the memory of their seven-year-old son Nicholas who was killed in a drive-by shooting while visiting Italy in 1994. The Greens paired with NAGC to start the Distinguished Student Awards because they wanted to recognize young people that are working hard to make the most of their lives and develop their unique gifts and talents, and who are now about the age that Nicholas was when he died. The Nicholas Green Foundation began funding these awards in the 1998-1999 school year.

One child per state can be named a Nicholas Green Distinguished Student and that winner receives a \$500 U.S. savings bond and an NAGC Certificate of Excellence.

Eligible students may be nominated by self, parents, teachers, peers, or community/civic groups.

The award is open to students in **grades 3-6** who are outstanding in one or more of the following areas:

- **Academics** by displaying curiosity and motivation to learn, by challenging him/herself to go "above and beyond," and by consistently demonstrating high academic performance;
