Dear Exhibitor,

The 2012 Pennsylvania Association for Gifted Education (PAGE) State Conference will be held at the Wyndham Garden Exton Valley Forge Hotel, May 3-4, in Exton, Pennsylvania 19341. Approximately 400 educators and parents are expected to attend the conference.

This year the featured speakers are:

- **Susan Winebrenner**, an author and consultant who works with school districts all over the country to help them translate current educational research into classroom practice.
- **Brian Housand, Ph.D.**, an assistant professor in the department of Curriculum and Instruction at East Carolina University, chair of NAGC's Computers and Technology Network, author of Technology Untangled column which appears in *Teaching for High Potential*, and national presenter with an emphasis in both gifted education and instructional technology.
- **Linda Sheffield, Ph.D.**, Regents Professor Emerita of Mathematics Education and Gifted Education Northern Kentucky University, published author, and international presenter in the area of mathematics education.

In addition to the featured speaker workshop sessions on Thursday, and the keynote address the next day, there also will be twenty or so breakout sessions throughout the day on Friday. This is an excellent opportunity for your company to exhibit and/or sell your products and services. Many of the conference attendees look forward to viewing and purchasing materials for their classrooms and children.

Tables are available in the Exhibit Area to sell and display your products. Tables cost \$175.00 each. If you cannot attend the conference, you may still have your materials placed on a display table for a cost of \$25.00 per item (unlimited quantity). The cost to have materials placed in attendees' folders is \$100.00 per item.

After reviewing the enclosed information, please let me know as soon as possible if you intend to be a part of the 2012 PAGE Conference. You will be listed in the program if we have your paid application no later than March 9, 2012.

Various options are available to promote your services. If you would like to take advantage of these opportunities and have your name listed in the program as hosting an event, please be sure to indicate this on the application form.

Please contact me if you have any questions or need additional information.

Sincerely,

Elaine Armstrong
