

Professional Development Opportunities

PAGE is now offering professional development opportunities for schools and other interested organizations and businesses on topics related to gifted education. Below are some starter packages, however we can customize a professional development to fit your needs. Consultation services are also available, email for more specifics.

To schedule a professional development session or ask additional questions, send an email to: Kali Fedor (kfedor@giftedpage.org) and Kelly Powell (kpowell@giftedpage.org).
